RE: Motion for Reconsideration

Dear Mr. Deal:

I am writing in response to the motion for reconsideration that you recently filed with the Governor's Office. The motion relates to the Governor's January 7, 2016, denial of your appeal from the Board of Health's decision to reject your petition to amend WAC 246-290-460. As you concede in your motion, state law does not provide for matters of reconsideration. Accordingly, the Governor will not be able to review your motion for reconsideration.

Sincerely,

A handwritten signature in cursive script that reads "Taylor K. Wonhoff".

Taylor K. Wonhoff
Deputy General Counsel
